

## *Quality Policy*

Solidor Ltd manufactures and supplies quality solid core composite doors, french doors and stable doors, PVC frames and associated furniture.

The goal of the company is provide quality workmanship and service that consistently meets or exceeds the level of customer satisfaction required at all times.

This level of quality and consistency is achieved through the administration of a Quality Management System accredited to BSEN ISO9001:2008 and has been designed to focus on improvement and customer requirements.

This Policy is achieved with the commitment of all employees who are individually responsible for the quality of their work and for the continuous improvement of the effectiveness of the Quality Management System

Objectives and Targets are set so that continuous improvement is maintained in line with the spirit of this policy and to ensure that the requirements of the standard are met.
